

## **ENVIRONMENTAL POLICY**

It is the policy of Niagara Frontier Transportation Authority to initiate programs and policies that protect the environment, the health and safety of its employees and customers in the communities in which it serves.

Daily decisions and actions at the NFTA are guided by the following environmental principles:

- Comply with applicable environmental laws and regulations
- Make operations safe for employees, customers and the environment
- Minimize waste, prevent pollution, and incorporate recycling in all practices and operations
- Strive to eliminate releases that impact the environment
- Employ sound environmental practices to address and redevelop environmentally impacted property
- Encourage open and candid communication with employees, customers, and the public, regarding the NFTA's environmental program and any hazard that may arise from its operations
- Train employees to be aware of and responsive to environmental responsibilities
- Strive to continually improve environmental performance
